

## EarlyAct

EarlyAct is a school-wide service club for elementary students from the ages 5 to 13. It is sponsored by a local Rotary Club. The mission and operation of EarlyAct are closely linked to the ideals of Rotary and provide the foundation and natural succession into Interact.

EarlyAct provides young students the opportunity for gaining an increased awareness and knowledge of their community and the world. EarlyAct engages students in character-building activities and prepares them for leadership roles to identify and carry out projects which benefit their school, local and global communities.
